Dear Mr Allman,

Thank you so much for kindly donating tickets for this year's Friary School Encore performance to sell on behalf of the Mayor & Sheriff's Charities—Staffordshire Blood Bikes and Lichfield Foodbank. We are grateful for the warm welcome and support we received on Thursday, which allowed us to raise an incredible £367.00!

Please extend my heartfelt thanks to Richard Hughes for his assistance in organising our visit, as well as my admiration to all the staff & PTA involved in this year's production.

The performance was an absolute delight to watch, and my guests thoroughly enjoyed the evening. Please also share our warmest gratitude with the students and convey our appreciation for a joyful and inspiring performance—we were truly blown away!

Thank you once again for your generous support.

Yours sincerely,

Cathy Wood
Sheriff of Lichfield
